We Are AHLA

Our Vision

To lead health law to excellence through education, information, and dialogue.

Our Mission

To provide a collegial forum for interaction and information exchange to enable its members to serve their clients more effectively; to produce the highest quality, nonpartisan, educational programs, products, and services concerning health law issues; and to serve as a public resource on selected health care legal issues.

Diversity and Inclusion

In principle and in practice, the American Health Law Association values and seeks to advance and promote diverse and inclusive participation within the Association regardless of gender, race, ethnicity, religion, age, sexual orientation, gender identity and expression, national origin, or disability. Guided by these values, the Association strongly encourages and embraces participation of diverse individuals as it leads health law to excellence through education, information, and dialogue.
