

Educating and Connecting the Health Law Community

The Value of Membership

Elevate your Health Law Career

Educating and Connecting the Health Law Community

AHLA's mission is to deliver authoritative educational content and serve as a professional home for all who engage with health law.

With over 12,000 members, AHLA's membership is diverse not only in background but in their practice areas and settings. Members practice in law and consulting firms; academic, in-house, and in a variety of public sector work settings. They represent the entire spectrum of the health care industry: physicians, hospitals and health systems, health plans and health maintenance organizations, health insurers, life sciences, managed care companies, nursing facilities, home care providers, and consumers.

The Benefits of Membership

Stay in the Know

Gain insights to effectively navigate the ever-changing landscape of health law. Trusted AHLA resources will keep you current on the essential issues facing health law professionals today.

Build Your Network

Join a community of in-house and outside counsel, public health officials, compliance and privacy officers, regulatory professionals, CEOs, and more.

Earn CLE, CPE, and CCB Credits

Gain a competitive edge with gold-standard educational opportunities covering a variety of hot topics, delivered in person and online.

Gain Credibility

Membership in AHLA signifies you are an expert in the health law profession. Furthermore, leadership opportunities within AHLA can generate significant results for your career.

Accelerate Your Career

In addition to building your expertise and leadership, explore job listings, set up alerts, and post your resume. Regardless of your career stage, AHLA has career resources to help you reach your next step.

Belong to a Community

AHLA members belong to a community of health law professionals who educate and support one another as the health law environment continues to shift.

Support Public Health Care Interests

AHLA produces the highest quality non-partisan education, developed by members, and serves as a trusted public resource on critical health care legal issues.

New Premium Member Benefit!

Stay ahead in the rapidly evolving health care landscape with AHLA's newest tool for busy health law professionals: the Health Law Daily podcast. This exclusive premium level membership benefit delivers essential health law updates in a convenient audio format, enabling you to stay current while maximizing your productive hours.

Join AHLA as a Premium Member to Access:

- Professional narration of curated health law updates
- Daily episodes covering breaking industry news
- Convenient access through your preferred podcast platform
- Comprehensive coverage from dozens of media outlets

Engage With Leading Professionals

Engage in a community of health lawyers and health law professionals who represent the entire spectrum of the health care industry, including hospitals and hospital systems, physicians, managed care organizations, insurers, long term care facilities, home health agencies, and much more.

Your Health Law Community

Our Commitment to Inclusion, Diversity, Equity, and Accessibility

In principle and in practice, AHLA values diverse, equitable, inclusive, and accessible participation within the Association for all staff and members. Guided by these values, the Association strongly encourages and embraces meaningful participation of all individuals as it leads health law to excellence through education, information, and dialogue.

Access Essential News and Analysis

AHLA members have access to the most current news and analysis, ensuring that you have the insight to effectively advise your clients and organizations on the complex challenges facing the industry today.

All-Access Pass to Thousands of Documents and Recordings

In addition to Practice Groups, Premium AHLA members receive an all-access pass to The Health Law Archive. Leverage the convenience of on-demand learning and listen to past webinars, read past publications, and more.

Member Publications

All AHLA members receive valuable periodicals and newsletters, featuring critical news and in-depth legal analysis:

Health Law Daily

This daily email digest aggregates the most current and essential health law news, culled from thousands of media outlets.

Health Law Weekly

This e-newsletter is delivered to your inbox every Friday and contains summaries of the most important health law developments from that week.

Health Law Connections

AHLA's membership magazine, devoted to providing analysis of health law related developments and trends. The magazine reports on the professional activities of AHLA members and highlights educational opportunities available in the health law field. It is published six times per year, both in print and digital.

Newsstand on State Health Law Issues

This bi-weekly e-newsletter delivers a tailored newsfeed on state health law developments to give you access to topic-specific content developed by various law firms.

Health Law Hubs

These multi-media resources provide content on the most critical issues in health law to the public. Organized by topical categories, the hubs are a collection of trusted resources in one central location. Topics include:

- Reproductive Health Law
- Diversity Equity and Inclusion
- Cybersecurity
- Compliance
- Stark + AKS Final Regulations
- Artificial Intelligence in Health Law
- Opioid Crisis
- The Coronavirus Pandemic

The Health Law Archive

This online searchable database contains more than 30,000 documents and audio recording from a variety of sources, including:

- Materials from previous years' in-person conferences, including written materials, slides, audio, and video
- Practice Group resources, including briefings, toolkits, webinars, and more
- In-depth articles from member publications, including the *Weekly*, *Connections*, and *Journal*, going back years
- And much more

New! Health Law Daily Podcast

A daily podcast for Premium AHLA members converts their news digest into audio, offering curated health care updates from numerous media outlets for efficient, hands-free consumption.

Inspiring Tomorrow's Leaders

“The time and energy you put into AHLA you get back tenfold through unmatched education and camaraderie. I've made connections that will last a lifetime.”

Lindsay Holmes
Amazon.com Inc

Lindsay is an insightful and laser-focused young leader who has

already made an impact on health law. Since 2015, she has served as the Chair and Co-Chair of the AHLA Early Career Professionals, as the Early Career Professionals Delegate to the AHLA Board of Directors, and recently joined the AHLA Development and Advancement Council. Generous donor contributions have given Lindsay many opportunities within the association to make an impression and grow her leadership skills.

Connect, Learn, and Advance in Person

AHLA conferences are the gold-standard in health law education, gathering leading professionals and luminary speakers to share their expertise. Whether it's a foundational session or a deep dive into the latest regulatory issue affecting your clients, with AHLA in-person conferences you can engage with experts in the field and gain insights to apply immediately.

All-Access Pass to Deeper Discounts

Premier Membership with AHLA offers even deeper discounts on in-person and virtual conferences. Immerse yourself in enriching education and networking at an AHLA conference.

13

unique conferences each year

4,656

conference participants representing the spectrum of health care.

Network with the Very Best in Health Law

AHLA in-person conferences bring together the brightest minds in health law to interact in a collaborative atmosphere. Engage with leading experts at sessions and get to know industry leaders over lunch. AHLA's in-person conferences offer the perfect setting to advance your practice and forge professional relationships that can support you through every phase of your career.

In-Person Conferences

The Institute on Medicare and Medicaid Payment Issues

The most comprehensive conference available on legal and regulatory issues related to reimbursement, this features participation from government agencies such as OIG, CMS, OGC, and DOJ, and delivers insights on regulatory and enforcement efforts.

Health Care Transactions

This conference covers the latest commercial developments, strategies, and deal forecasts from prominent experts. Sessions deliver insights into the business and legal issues in contemporary health care business transactions, including antitrust considerations, M&A trends, post integration lessons, and much more.

Fraud and Compliance Forum

Bringing together legal counsel, compliance officers, and government representatives, this conference addresses emerging regulatory trends, recent case law and legislative developments, and how they will affect legal and compliance practices in health care.

Fundamentals of Health Law

This training conference is designed for new associates and in-house counsel, compliance officers, consultants, and others who advise health care clients.

More Conferences

AHLA offers education and networking opportunities for a broad range of health law professionals. Additional in-person and virtual conferences include:

- Tax Issues for Health Care Organizations
- Long Term and Post-Acute Care Law and Compliance
- Advising Providers: Legal Strategies for AMCs, Physicians, and Hospitals
- Health Care Arbitration Training
- Health Plans Law and Compliance
- The Complexities of AI in Health Care Institute

Continuing Education Credits

As the premier provider of continuing education for the health law profession, AHLA is uniquely positioned to provide you with all the Compliance Certification Board (CCB), Continuing Legal Education (CLE), and Continuing Professional Education (CPE) credits you need through our events, trainings, and educational offerings.

americanhealthlaw.org/education-events

AHLA Annual Meeting and In-House Counsel Program

Health Law's premier education and networking event

The AHLA Annual Meeting provides the most current information and analysis on a myriad of legal issues facing the health care industry in practical, solution-oriented sessions. The AHLA In-House Counsel Program takes place prior to the Annual Meeting, in the same location, and focuses on operational issues and on practical methods to professionally thrive amid the evolving challenges in-house counsel lawyers face.

Experience Trusted Education Online

AHLA’s online educational portfolio is designed to suit a variety of learning preferences and features content to help you flourish in a complex industry.

Learn from Your Home or Office

Webinars, Live and On Demand

AHLA webinars are delivered live and feature discussions on pressing issues across a variety of topics. On-demand recordings of webinars are also available so you can learn and earn CLE and CCB on your schedule. Choose from a variety of topics including these popular titles:

- Be the Value-Add: Understanding, Evaluating, and Managing Compensation and Fair Market Value Analyses
- Navigating the Risks and Challenges of Medicare Advantage Marketing in PY2025
- Hospital Mergers: What Works When the Going Gets Tough
- The New 340B ADR Final Rule Process: Overview and Implications for the Future
- Labor and Employment Issues in Health Care Transactions

americanhealthlaw.org/webinars

Speaking of Health Law Podcasts

AHLA’s Speaking of Health Law podcasts offer thoughtful analysis and insightful commentary on the legal and policy issues affecting the American health care system. Subscribe to the Speaking of Health Law channel on your favorite platform to listen to these popular titles:

Online MicroVideos from The Diversity Movement

AHLA has partnered with The Diversity Movement (TDM) to support us on our DEI journey. As part of this partnership, members receive a reduced price to access TDM’s MicroVideos library. Developed by business leaders and certified diversity experts, the MicroVideos library includes hundreds of ~2–3-minute videos that provide actionable takeaways and help you put DEI principles into practice, including these titles:

- Approaching Tough Conversations as Ally
- How to Practice Active Inclusion
- How to Mitigate Recruitment Bias
- How Does DEI Impact Profitability
- Inclusive Language for Acquired Diversity
- How to Be an Empathetic Leader

Offering Developmental Opportunities

“Given the complexity of the health care system, I feel fortunate to have learned the value of approaching projects with a collaborative mindset early in my career.”

Ogi Kwon
R1 RCM

Ogi is a collaborative and influential early career professional who served as an AHLA Intern in 2017. Donations made to AHLA gave Ogi an opportunity to be paired with an experienced health law attorney who offered him invaluable feedback that spearheaded his growth in the health law field. By the end of his internship, Ogi co-authored an article in the Journal of Health and Life Sciences Law and learned an invaluable lesson about teamwork.

Read more about Ogi’s Story:

Build Your Reference Shelf

Members are entitled to exclusive discounts on AHLA titles published in cooperation with LexisNexis. Our deepest dives, written by members of the health law community.

Become an Expert in Your Field

Recent Releases

Members are the first to hear about new publications that address the challenges they face as they navigate the highly regulated health care environment.

Fundamentals of Health Law

This new edition provides a comprehensive overview of the health care industry’s legal and regulatory landscape. A fundamental understanding of these key concepts and their far-reaching implications is a prerequisite.

Representing Hospitals and Health Systems

Effective representation of hospitals and health systems requires familiarity with an array of concerns. This publication provides an in-depth practice guide covering the full range of topics related to hospital-based health care.

False Claims Act & the Health Care Industry

This updated title analyzes historical and recent interpretations by all levels of federal courts, as well as federal agencies. From knowledge to materiality to causation, every aspect of a potential false claim allegation is addressed.

Essential Resources

Established best sellers from AHLA are relied on by health law professionals across the industry.

Telehealth Law Handbook

Taking a concise and practical approach, the authors explain and assess the current state of the law, highlighting risks and opportunities for readers to consider today and into the future.

Legal Issues in Health Care Fraud and Abuse

With in-depth coverage of the Anti-Kickback Law, Stark Law, False Claims Act, and more, this title is a must-have for anyone who needs to understand the intricacies of how fraud and abuse laws are structured and enforced. Updated annually.

Health Information Privacy & Breach: A 50 State Survey

Whether responding to a possible data breach or putting policies in place related to health record privacy and security, this in-depth analysis of state law will help to ensure that nothing falls between the cracks.

Providing Practical Insights

“ Though I am still early in my health law career, I credit AHLA for getting me here. AHLA’s publications provide me with practical insight on problems I’m facing at work and in my law classes, while their programs serve as a unique forum for networking. ”

Addi E. Book
Licensed Legal Intern and new JD

Addi is a driven and passionate licensed legal intern and recently graduated JD who strives to find opportunities to assist health care providers wherever she can. Due to the generous contributions of donors, Addi took advantage of AHLA’s publications and programs to enhance her practical understanding of a career she loves.
