AMERICAN **HEALTH LAW** ASSOCIATION

Educating and Connecting the Health Law Community

The Value of Membership

Educating and Connecting the Health Law Community

AHLA's mission is to deliver authoritative educational content and serve as a professional home for all who engage with health law.

With over 12,000 members, AHLA's membership is diverse not only in background but in their practice areas and settings. Members practice in law and consulting firms; academic, in-house, and in a variety of public sector work settings. They represent the entire spectrum of the health care industry: physicians, hospitals and health systems, health plans and health maintenance organizations, health insurers, life sciences, managed care companies, nursing facilities, home care providers, and consumers.

Elevate your Health Law Career

The Benefits of Membership

Stay in the Know

Gain insights to effectively navigate the ever-changing landscape of health law. Trusted AHLA resources will keep you current on the essential issues facing health law professionals today.

Build Your Network

Join a community of in-house and outside counsel, public health officials, compliance and privacy officers, regulatory professionals, CEOs, and more.

Earn CLE, CPE, and CCB Credits

Gain a competitive edge with gold-standard educational opportunities covering a variety of hot topics, delivered in person and online.

Gain Credibility

Membership in AHLA signifies you are an expert in the health law profession. Furthermore, leadership opportunities within AHLA can generate significant results for your career.

Accelerate Your Career

In addition to building your expertise and leadership, explore job listings, set up alerts, and post your resume. Regardless of your career stage, AHLA has career resources to help you reach your next step.

Belong to a Community

AHLA members belong to a community of health law professionals who educate and support one another as the health law environment continues to shift.

Support Public Health Care Interests

AHLA produces the highest quality non-partisan education, developed by members, and serves as a trusted public resource on critical health care legal issues.

Comprehensive Membership

Get the most out of your AHLA membership with unlimited access to the resources that matter most to your practice:

- All 17 Practice Groups — plus their full library of associated resources
- Unlimited free live webinars — CLE, CPE, CE, and more
- Full access to the Health Law Archive — search 30,000+ documents
- Deeper conference discounts — for both in-person and virtual events

Engage With Leading Professionals

Your Health Law Community

All-Access Pass to Practice Groups with Comprehensive Membership

Designed to enhance your professional edge, AHLA Comprehensive Membership provides free access to all Practice Groups and their related resources, so you can increase your knowledge and expand your network across the spectrum of health law.

17

Practice Groups

A cornerstone of AHLA membership, Practice Groups connect professionals who share similar work settings or focus areas. By enrolling in a Practice Group, you gain access to valuable tools and education, as well as a diverse network of professionals from around the country who have a shared commitment to building their knowledge and leadership experience. Practice Groups include:

- Academic Medical Centers and Teaching Hospitals
- Antitrust
- Behavioral Health
- Business Law and Governance
- Fraud and Abuse
- Health Care Liability and Litigation
- Health Information and Technology
- Hospitals and Health Systems
- In-House Counsel
- Labor and Employment
- Life Sciences
- Medical Staff, Credentialing, and Peer Review
- Payers, Plans, and Managed Care
- Physician Organizations
- Post-Acute and Long Term Services
- Regulation, Accreditation, and Payment
- Tax and Finance

americanhealthlaw.org/practice-groups

Engage in a community of health lawyers and health law professionals who represent the entire spectrum of the health care industry, including hospitals and hospital systems, physicians, managed care organizations, insurers, long term care facilities, home health agencies, and much more.

Practice Group Resources Developed by Members

Each Practice Group provides exclusive access to a Topical Library of resources and publications to support its members in meeting the unique challenges of their discipline. Created by member volunteers, these resources can support you day to day in researching laws and statutes, drafting legal documents and contracts, and providing legal counsel to clients. Some of our most popular resources include:

- Medicare Advantage Risk Adjustment Toolkit
- HIT Enforcement Summary Tables
- Fair Market Value and Commercial Reasonableness Toolkit
- State-Level Merger Filing Toolkit
- Health Care Real Estate Lease Toolkit
- Labor and Employment Due Diligence Toolkit
- CMS Value-Based Care Toolkit
- Anti-Kickback Statute Toolkit

Membership Tools to Expand Your Network

AHLA members belong to a network of health law professionals who can support you throughout your career. Leverage these networking tools as a member:

- **Member Directory** that connects you to Fellows, members, and leaders
- **Mentoring Program** that connects individual members and fosters professional growth and career development
- **Volunteer opportunities** to share knowledge and work with emerging leaders

The Health Law Network

AHLA's online community platform allows you to connect with a community of dedicated professionals who share your commitment to health law.

As a member, complete your profile to engage with peers and industry leaders, ask questions, share resources, and build your network.

Access Essential News and Analysis

All-Access Pass to Thousands of Documents and Recordings

In addition to Practice Groups, members at the comprehensive level receive an all-access pass to The Health Law Archive. Leverage the convenience of on-demand learning and listen to past webinars, read past publications, and more.

Member Publications

All AHLA members receive valuable periodicals and newsletters, featuring critical news and in-depth legal analysis:

Health Law Daily

This daily email digest aggregates the most current and essential health law news, culled from thousands of media outlets.

Health Law Weekly

This e-newsletter is delivered to your inbox every Friday and contains summaries of the most important health law developments from that week.

Health Law Connections

AHLA's membership magazine, devoted to providing analysis of health law related developments and trends. The magazine reports on the professional activities of AHLA members and highlights educational opportunities available in the health law field. It is published six times per year, both in print and digital.

Newsstand on State Health Law Issues

This bi-weekly e-newsletter delivers a tailored newsfeed on state health law developments to give you access to topic-specific content developed by various law firms.

Health Law Hubs

These multi-media resources provide content on the most critical issues in health law to the public. Organized by topical categories, the hubs are a collection of trusted resources in one central location. Topics include:

- Reproductive Health Law
- Diversity Equity and Inclusion
- Cybersecurity
- Compliance
- Stark + AKS Final Regulations
- Artificial Intelligence in Health Law
- Opioid Crisis
- The Coronivirus Pandemic

Policy & Administration Update

This member-exclusive e-newsletter is designed to support health law professionals in navigating the complex and rapid changes taking place in the health care industry today. Each week members receive a brief "Round Up" of news related to evolving policy and administration actions, as well as a "Quick Take" on a developing issue, written by a member of AHLA's Advisory Panel.

Your Nonpartisan Resource Delivered Weekly

AHLA members have access to the most current news and analysis, ensuring that you have the insight to effectively advise your clients and organizations on the complex challenges facing the industry today.

The Health Law Archive

This online searchable database contains more than 30,000 documents and audio recording from a variety of sources, including:

- Materials from previous years' in-person conferences, including written materials, slides, audio, and video
- Practice Group resources, including briefings, toolkits, webinars, and more
- In-depth articles from member publications, including the *Weekly*, *Connections*, and *Journal*, going back years
- And much more

Health Law Daily Podcast

A daily podcast for comprehensive members converts their news digest into audio, offering curated health care updates from numerous media outlets for efficient, hands-free consumption.

Inspiring Tomorrow's Leaders

"The time and energy you put into AHLA you get back tenfold through unmatched education and camaraderie. I've made connections that will last a lifetime."

Lindsay Holmes
Amazon.com Inc

Lindsay is an insightful and laser-focused young leader who has already made an impact on health law. Since 2015, she has served as the Chair and Co-Chair of the AHLA Early Career Professionals, as the Early Career Professionals Delegate to the AHLA Board of Directors, and recently joined the AHLA Development and Advancement Council. Generous donor contributions have given Lindsay many opportunities within the Association to make an impression and grow her leadership skills.

Offering Developmental Opportunities

"Given the complexity of the health care system, I feel fortunate to have learned the value of approaching projects with a collaborative mindset early in my career."

Ogi Kwon
R1 RCM

Ogi is a collaborative and influential early career professional who served as an AHLA Intern in 2017. Donations made to AHLA gave Ogi an opportunity to be paired with an experienced health law attorney who offered him invaluable feedback that spearheaded his growth in the health law field. By the end of his internship, Ogi co-authored an article in the Journal of Health and Life Sciences Law and learned an invaluable lesson about teamwork.
