

Leadership and Career Development Program

A Reimagined Approach to Developing Health Law Leaders

When and Where

Weekend Before Annual Meeting, June 27-28, 2026

- Saturday and Sunday preceding the Annual Meeting
- Concentrated weekend of development and connection
- Coordinated alongside the Board of Directors' Meeting and IHC Program

Care will be taken in programming during IHC and encourage participation in State of the Association.

Program Structure

Dual Track Format

Two complementary tracks serving different career stages, with merged opportunities for networking and community building.

Format: Blend of roundtable discussions and instruction for meaningful dialogue and experience sharing

Health Law Professional Leadership Track

For Established Professionals & Current AHLA Leaders

Designed to:

- Elevate leadership impact
- Advance influence across the health law community
- Strengthen leadership within organizations and AHLA

Emerging Professionals Track

For Early Career Professionals & Students

Designed to provide:

- Career insights and guidance
- Network building opportunities
- Leadership development
- Enhanced engagement with AHLA

Networking and Collaboration

Building Lasting Connections

- Shared breaks and lunches
- Joint sessions across both tracks
- Relationship building that extends beyond the program
- Dine arounds or Awards Dinner

Attendees will share lunch with the board, and may attend IHC lunch, as well as PG meetings.

Registration: Leadership

Complimentary for FY26 & FY27 Leaders

AHLA's current and incoming leaders receive complimentary registration to the leadership program with their paid Annual Meeting registration.

Early Career Track Registration

Registrations Designated by PGs, Councils, and Committees

Each body will have the opportunity to designate one complimentary registration for an Early Career member who has supported their group.

Complimentary registration sign up is coming soon!

On-site Meetings are Back

PGs, Committees, and Council Meetings in New York

Groups can work with the membership department to schedule your on-site meetings. More information will be coming soon.
