

**Maria Salgado**

**Vice President, Cornerstone Research**

Maria Salgado co-heads Cornerstone Research’s healthcare practice. She conducts economic analyses for complex business litigation matters, focusing on regulatory, False Claims Act, antitrust, reimbursement disputes, and consumer class actions. Who’s Who Legal has recognized her as a leader in the competition field and “an authority on the pharmaceuticals space.” Dr. Salgado has published a number of articles on healthcare and pharmaceutical issues, including on economic damages in data privacy matters. Her research has appeared in journals such as Health Affairs, The Antitrust Source, Nature Reviews, and the Antitrust Health Care Chronicle. She is prior chair of the Antitrust Interface with Intellectual Property Rights Committee of the ABA. Dr. Salgado holds a Ph.D. in economics from Northwestern University.
