

Christopher Finch

Christopher Finch serves as the Vice President of Compliance and Internal Audit at MemorialCare Health System in Southern California. With over two decades at MemorialCare, Chris brings a wealth of experience and expertise to his role, ensuring adherence to regulatory standards such as HIPAA, Stark Law, Anti-Kickback statutes, False Claims Act, and conflict of interest regulations.

Boasting over 30 years of comprehensive healthcare experience, Chris's career spans clinical practice, finance, and revenue cycle management. This diverse background affords him profound insight into the complexities of the healthcare industry, making him a crucial asset in his capacity as a compliance officer.

A registered nurse by profession, Chris holds certification in healthcare compliance from the Healthcare Compliance Association, underscoring his commitment to upholding the highest standards of ethical conduct and regulatory compliance. He earned his master's degree in healthcare administration from Long Beach State University, further enhancing his qualifications and leadership in healthcare compliance and internal audit oversight.
