Erica is a Principal in PwC's National Tax Services, Exempt Organization Tax Services practice. Erica assists various tax-exempt organizations with complex compliance and consulting issues. Erica works with large to mid-size universities, hospital systems, VEBAs and tax filing for trusts tax-exempt under IRC 401(a). Her consulting experience includes assistance in resolving tax controversy, questions around unrelated business income, issues surrounding the private business use of tax-exempt bonds, US and cross border structuring, compliance with IRC section 501(r), the net investment income tax, and ASC 740 for tax-exempt entities. She is also experienced in state unrelated business income tax issues.

Erica is a speaker at the Philadelphia Bar Institute ("PBI"), National Association of College and University Business Officers ("NACUBO"), Committee on Investment of Employee Benefit Assets ("CIEBA"), American Health Lawyers Association ("AHLA") and Healthcare Financial Management Association ("HFMA").

Erica received her undergraduate degree (a BA in Human Services) from Villanova University (*cum laude*). She obtained her Juris Doctor and LL.M. (Taxation) degrees from Villanova University School of Law. Erica is a member of the Philadelphia and New Jersey Bar Association.
