

Robert S. Paskowski

Principal – Healthcare Consulting Revenue
& Compliance Advisory

bpaskowski@pyapc.com

(865) 684-2857

Professional Snapshot

Bob specializes in managed care strategy and reimbursement. He uses his “Big Four” audit background and nearly 30 years in payer operations with provider-sponsored health plans and large managed care organizations to serve clients. Bob helps many health systems and larger provider groups navigate their managed care strategy, including managed care contracting and reimbursement analysis. Bob also supports healthcare organizations to resolve provider/payer legal disputes, including serving as an expert witness.
