Janus Pan advises health care providers on transactional, regulatory, and government investigations matters. She has advised providers in the long-term care space on mergers and acquisitions, and on issues of Medicare, Medicaid, and other government program reimbursement. Janus also counsels providers facing health care licensure and other regulatory concerns.

## Capabilities

Health Care & FDA Practice

## Experience

### Representative Matters

- Led M&A transactions for hospitals, ambulatory surgery centers, and long-term care facilities such as nursing homes, assisted living facilities, and memory care facilities.°
- Advised various health care providers such as doctors, optometrists, and nursing homes in Civil Investigative Demands regarding Medicare and Medicaid reimbursement and False Claims Act liability.°
- Successfully appealed and retained COVID-19 relief payments from the Centers for Medicare and Medicaid Services for an orthopedic practice.°
- Advised various health care providers on state and federal law governing fraud and abuse, corporate practice of medicine, and licensure.°
- Negotiated vendor contracts on behalf of a national home health and hospice company.°

*°The above representations were handled by Ms. Pan prior to her joining Greenberg Traurig, LLP.*
